526 Sani-Flex™

Antimicrobial Anti-fatigue mat for the food industry

526 Sani-Flex™

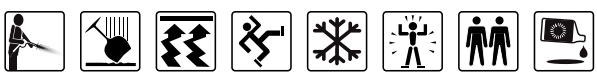
Ergonomic, Anti-fatigue & Safety Matting - Food Processing and Food Service Matting

High visibility anti-microbial non-shedding anti-fatigue mat for food processing and laboratory use that is lightweight and easy to clean. Solid construction and smooth edges makes it impervious to bacterial growth in sensitive environments.These mats are often used in areas where sanitation is crucial, such as in healthcare facilities, food processing areas, and commercial kitchens.

- Closed anti-slip gritted structure surface
- Superb anti-fatigue properties due to its unique design underneath
- Heavy-duty 100% nitrile rubber compound, designed to yield a long service life
- The mat reduces the buildup of bacteria and other pathogens that could cause infections or odors
- Often used in areas where sanitation is crucial, such as in healthcare facilities, food processing areas, and commercial kitchens

Recommended use

- Dry Oily Areas
- Food processing, professional kitchens, cooking lines, food preparation areas, bars and cleaning areas
- Medium duty



Ergonomic, Anti-fatigue & Safety Matting - Food Processing and Food Service Matting

Sani-Flex™

General

Brand	Notrax
Category	Food Processing and Food Service Matting
Product Number	526
Product Family	Industrial & Commercial Matting
Product Group	Ergonomic, Anti-fatigue & Safety Matting
Industry	Health Care, Laboratories, Food Processing
Product Name	Sani-Flex™
Recommended use	Food processing, professional kitchens, cooking lines, food preparation areas, bars and cleaning areas
Series	Sani-Flex™
Shipping Location	Achterzeedijk 57, Unit 15, Barendrecht 2992SB, The Netherlands, Chicago, IL 60638, United States
Type	Wet/Dry and Greasy Areas - Food Processing and Food Service Mats
Update trigger	20250521_0815-ecom-fp
Usage Intensity	Medium duty

Sustainability

REACH	Reach compliant (Registration, Evaluation, Authorization and Restriction of Chemicals).
Recycled	True
Rohs US	Rohs compliant (Restriction of Hazardous Substances).
Warranty (years)	2

Tests

Surface Flammability	Pass

Technical Specifications

Application	Industrial Environments
Edges	Moulded bevelled edges on all sides
Material	100% Nitrile rubber
Material Group	Nitrile rubber
Process	Compression Moulding

Sani-Flex™ Grey
